# Enhance the Customer Experience

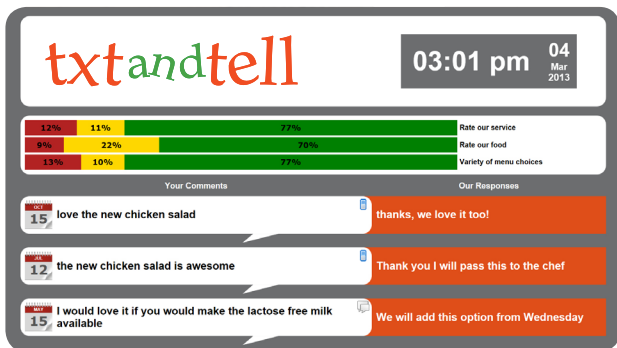

## Show Customers that you care!

### Benefits

- Build relationship with students
- Listen and act on their feedback
- Tell them how you are resolving problems
- Share information in an open manner with students and staff
- Improve overall customer satisfaction

### Display screens

- Replace comment/napkin boards with digital signage
- Use your existing screens and CMS if available
- Or install low cost Smart TV's
- Must have Internet access and web browser
- All comments and responses published to a custom web page

### Easy to configure and use

- Select what comments to publish via the TxtandTell portal
- Add appropriate manager responses
- Easy to change the look and feel of the layout
- Add your branding information and logos
- Use tickertape for additional messaging
- Expand the system to display other content including videos, weather, special offers
